

APPENDIX 2.4  
(referred to in paragraph 2.151)

**Standard assurances given to the President of the  
Board of Trade in previous REC mergers**

The bidder company undertook to:

- (a) ensure that sufficient financial and management resources and other facilities are available to enable the REC to carry out its statutory and licence obligations;
- (b) ensure that the DGES is provided with such information from any company in the Bidder Company Group as he requires in relation to the exercise of his regulatory function;
- (c) co-operate with the DGES in ensuring appropriate financial separation and financial independence for the REC; and
- (d) ensure that the REC agrees to appropriate licence amendments.
