

APPENDIX 4.3
(referred to in paragraph 4.15)

Circuit licences

1. The following restrictions are applied to the types of vehicle that can compete at certain licensed circuits under an MSA national A licence:

Anglesey	2-litre limit on single-seat and sports racing cars.
Cadwell Park	1600cc limit on single seat and sports racing cars.
Goodwood	Certain historic classes only are permitted (this also applies to the international licence).
Lydden	2-litre limit on single-seat and sports racing cars.
Three Sisters	1-litre limit on single-seat and sports racing cars, plus Formula Ford 1600.

2. Note that restrictions on grid size apply at all circuits, depending on the class of vehicle competing. Exceptions to restrictions can be granted if the overall capability of the vehicles is restricted in some way which makes them acceptable for the circuit.

3. The following list details the classes of vehicle and championship that are permitted to compete on circuits at international events under these FIA circuit grades:

Grade 1	Formula One.
Grade 2	International Formula 3000, CART and similar.
Grade 3	GT, Nascar, British Formula 3000, single seaters over 2000cc and similar.
Grade 4	Formula Three, British Formula Three, Formula Renault, Super Touring, Porsche Cup, Ferrari Cup, single seaters under 2000cc and similar.
Grade 5	Group N saloons, single-make championships, for example Caterhams, Clio, Saxo and similar.
Grade 6	Autocross and rallycross.
